

One scoop of mulch covers 14 cubic feet (over half a yard).

Depth	Coverage
1"	150 square feet
2"	75 square feet
3"	50 square feet

You do not need to visit our certified scales to buy bulk mulch; stop by the main office or one of the cashier areas to prepay for your mulch. Each scoop is 14 cubic feet and weighs 700-900 pounds.
